

Recreational opportunities such as hiking, biking and wildlife viewing on the ORR are available via access to the Three Bend Scenic and Wildlife Management Refuge Area and the Black Oak Ridge Conservation Easement (BORCE). Deer and wild turkey hunts are managed by the Tennessee Wildlife Resources Agency. In addition, the Department of Energy (DOE) regularly supports guided nature and bird watching walks. Clark Center Park offers picnic shelters, softball, volleyball, a boat launching ramp, and fishing areas (including a handicapped access ramp).
